PROFESSIONAL EXPERIENCE

WeGro Technologies Limited

Chief of Staff & Chief Financial Officer

Jul 2025 – Present

- Expanded scope from finance to enterprise leadership, partnering directly with the CEO on strategy and execution across 4+ business functions.
- Led organisational restructuring covering 100+ employees, encompassing workforce planning, role design, and performance management frameworks.
- Oversaw ERP and technology rollout serving 120+ field and HQ users, improving real-time reporting accuracy and operational execution tracking.
- Established cross-functional KPI cadence that increased execution visibility across 10+ operating regions.
- Retained full ownership of investor relations, board reporting, and capital allocation for a USD 1.7M+ capital pool.

Chief Financial Officer

Feb 2025 – Jul 2025

- Directed finance and accounts covering FP&A, budgeting, forecasting, and treasury, with oversight of USD 400K–800K in monthly cash flows.
- Strengthened MIS and internal controls infrastructure, cutting reporting turnaround time by more than 50%.
- Deployed USD 1.3M+ of raised capital across debt, equity, and crowdfunding structures.
- Contributed to USD 500K of closed fundraising and an active USD 2M pipeline across debt and equity instruments.

Business Partner

Apr 2024 – Feb 2025

- Served as embedded finance partner across 10+ strategic initiatives and new investment projects.
- Built financial models spanning unit economics, project-level P&Ls, and multi-scenario analysis.
- Anchored budgeting and fundraising preparation for USD 1M+ in projected capital requirements.

LightCastle Partners

Business Consultant

Jul 2022 – Mar 2024

- Conducted end-to-end due diligence on early-stage startups, assessing market potential, financial viability, and growth trajectory.
- Successfully closed USD 650K in fundraising for SME investments.
- Co-created a blended capital framework combining micro-equity and loan financing, supporting growth for 10 MSMEs, including timely USD 35K deployment.
- Designed BNPL models tailored for MSMEs to facilitate capital infrastructure investment and operational expansion.

Business Analyst

Jun 2021 – Jul 2022

- Facilitated bank financing for MSMEs by preparing loan proposals and negotiating favourable terms.
- Conducted financial analysis and feasibility studies to assess business opportunities, quantify risk, and recommend growth strategies.

Trainee Consultant

Feb 2021 – May 2021

- Built financial models and a credit assessment toolkit to evaluate the creditworthiness of 80 SMEs.
- Raised USD 15K through micro-equity funding, enabling SME expansion and job creation.

EDUCATION

Bangladesh University of Professionals

Jan 2017 – Dec 2020

Bachelor of Business Administration – Finance Major | GPA: 3.68 / 4.00

Chartered Financial Analyst (CFA Institute)

Aug 2025

Passed CFA Level III
